DSS Nondiscrimination Policy:

It is the policy of the Department of Social Services (DSS) to make sure that applications for program benefits and services are made available to everyone and that program benefits are granted to all who meet eligibility standards. DSS staff, programs and policies must not discriminate against clients or applicants for services because of race, color, sex, age, disability, religion and national origin. DSS must also provide fair and equal access to all of its programs and services for people with disabilities; this includes both physical access to buildings and access to programs and services. To file a complaint of discrimination write: DSS Division of Legal Services, 700 Governors Drive, Pierre, SD 57501-2291 or call: (605) 773-3305. If you have a question regarding program services, please contact your nearest DSS office.

Weatherization Assistance Program

Helping Low-income Families Weatherize their Homes

The Weatherization Assistance Program was designed to help low-income households overcome the high cost of energy by making their homes more energy efficient. The program is operated at the local level by community action agencies or other local agencies.

Local agencies operating the program provide free home weatherization to anyone who qualifies. This may or may not include weatherization measures such as:

- Weather-stripping of doors and windows.
- Caulking and sealing cracks and holes in a building structure.
- Insulating attics, walls and under floors.
- Installing windows and/or glass.
- Repair, tune-up or replacement of non-functional heating systems.
- Incidental repairs necessary to protect the weatherization material.
- Health and safety checklist.

How Eligibility is Determined

Eligibility is based on household income. To see if your household qualifies, check with your community action agency or the Office of Energy Assistance at 1-800-233-8503. Priority is given to the elderly and handicapped individuals and to families with small children.

There is no cost for weatherization assistance. However, funds are limited so you may be placed on a waiting list.

Renters, as well as homeowners, are eligible if the landlord gives written permission for the work to be done. A contribution from the landlord may be requested.

Here's How You Can Apply

You may request an application by mailing the attached postage-paid Request for Application form or by contacting your local community action agency listed on the back of this brochure.
